

# Stadium Series LED Sports Light

Special mould  
Generation 1

**Specification:**

- AL1070 Pure Aluminum Housing(cold forging Technology)
- IK10 strong protection, good optical function
- Waterproof: IP65
- Life Span: > 50,000 Hours
- Operating Temperature: -20-50°C
- Storage Temperature: -40-60°C

• Driver Brand: **MW** MEAN WELL

• LED Brand: **LUMILEDS**

**Laser Sight**

The laser sight is mounted on the lamp.

• **Perfect Heatsink**  
Pure Aluminum cold forging Technical Light Weight but perfect heatsink.

• **Bracket**  
Bending Bracket design make more stronger.

240W

360W

480W/500W

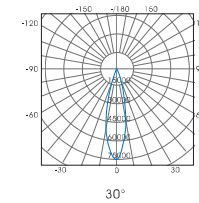

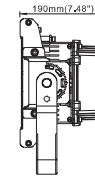

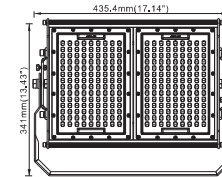

720W

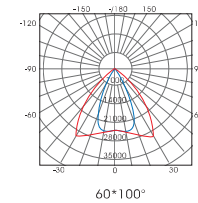

960W/1000W

**Application:** Replace MHL400W,500W,600W,800W,1000W,1500W,2000W.
